## with mCLASS

Supporting Nebraska's Literacy Screener

Whether your district is new to Dibels, you need a refresher, or you are new staff to a district, join us to learn how to assess students using Dibels 8 with Amplify's mCLASS. Further trainings will assist your team in developing a system for identifying students in need of interventions, writing IRIPs, and assigning appropriate interventions.

**Attendees will need access to mCLASS. Bring an iPad and computer.**
